APPEAL LETTER

RE: MUHHIBAH CHARITY DINNER & CULTURAL SHOW 2015

The Gujarati community in the State of Penang will be organising a **MUHHIBAH DINNER & CULTURAL CHARITY SHOW 2015**, under the auspicious patronage of the Penang State Goodwill Consultative Council. In late 19th Century, the Gujarat community was established in Penang, mainly by Gujarati merchants and traders. To cater for the wellbeing and to enhance the cultural and religious activities of this small ethnic group, in the year 1950, the Gujarati Samaj was established in Penang to ensure a smooth synchronisation of our social, welfare and cultural activities.

Over time we have built an organisation which not just caters for the wellbeing and interest of our own community, but also towards people in dire state of life irrespective of their socio-religious background in the society. We organize socio-cultural activities and charity programs by taking into consideration the general welfare of the poor and sick people around us. As the saying goes, **SERVICE TO MAN IS SERVICE TO GOD**, we render our selfless services for the welfare of these people.

The Gujarati Samaj Penang is one of the founding active members of the Penang State Goodwill Consultative Council. As such, to promote our humble ideals and vision the Gujarati Samaj Penang will be organising a "**Muhhibah Dinner & Cultural Charity Show 2015**". The details are as follows:
